DIFFERENT SUMMERS

On top of the world.

"Summer vacation" does not mean the same thing to all of us. To some it may just mean staying home and relaxing, but for others it may bring the adventures of traveling abroad or venturing further into our own country.

Tony Moraes visited the beautiful countries of Germany, France, and Switzerland while on a two-week tour with the Union County Sports Club. While not playing soccer, Tony went sight-seeing and recorded his visit in photographs.

Our own Jersey shore is a popular sight for East Siders, as well as Great Adventure. The shore provides some great sunsets while the theme park has super rides and lots of attractions to keep you busy all day long.

Another different summer was spent by Tony De Almeida who was selected to spend a month at the Governor's school located at Monmouth College. Tony had courses relating to government and current events.

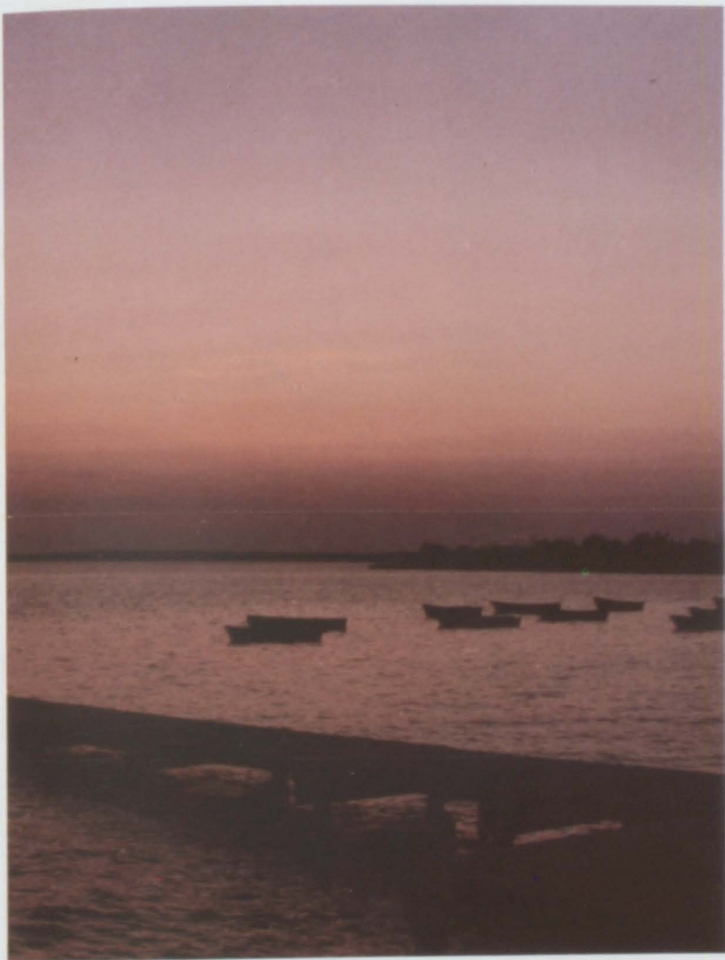

Even though everyone doesn't spend their summers in the same way, we all are active and involved with going places and doing many different things.

AN EVENING TO REMEMBER

On Friday, May 6th, 1983, the Junior Class, held their Dinner Dance, - "You and I." The dance was held in the Portuguese Pavilion on Monroe Street.

The Juniors, dressed in their best, attended with dates, friends and in groups. As they entered, they were given a scroll and prom key with the inscription "East Side Junior Prom 1983." While this was going on, the D.J. was preparing for our musical entertainment.

Finally at about 8:30 P.M., a delicious hot and cold buffet consisting of a variety of fine foods such as roast beef, spare ribs, barbecued chicken and fish fillets was served.

Soon the D.J. started the music. The first song on the list, was our theme "You and I" by Eddie Rabbitt and Crystal Gayle. Shortly after, from punk rockers to teachers, everyone was on the dance floor having a wonderful time. There was dancing and singing from everyone, while photographers were taking pictures from every corner of the room to record the moment.

The excitement came to an end by 11:30 p.m., when the D.J. announced, "This is the last song." We had our last dance, and said good-bye.

All that is left now is the memory of the great time we all enjoyed.

“GOING IN STYLE”

On April 15th and 16th 1983, the Junior Class of East Side presented a fashion show. This year's theme was "Over the Rainbow" and when the house lights dimmed and the curtains parted, a "rainbow" of fashions and entertainment was truly what the capacity audience received.

The fashion segments, formal wear, casual wear and sports wear included many of the season's hottest styles. We were also fortunate enough to receive outfits from such famous stars, as Brook Shields and Loretta Swit. These outfits were auctioned off along with an autographed picture of rock star, Rick Springfield.

The entertainment segments included the students portraying such acts as the Stray Cats, Billy Joel, Sheena Easton, Judy Garland and many others.

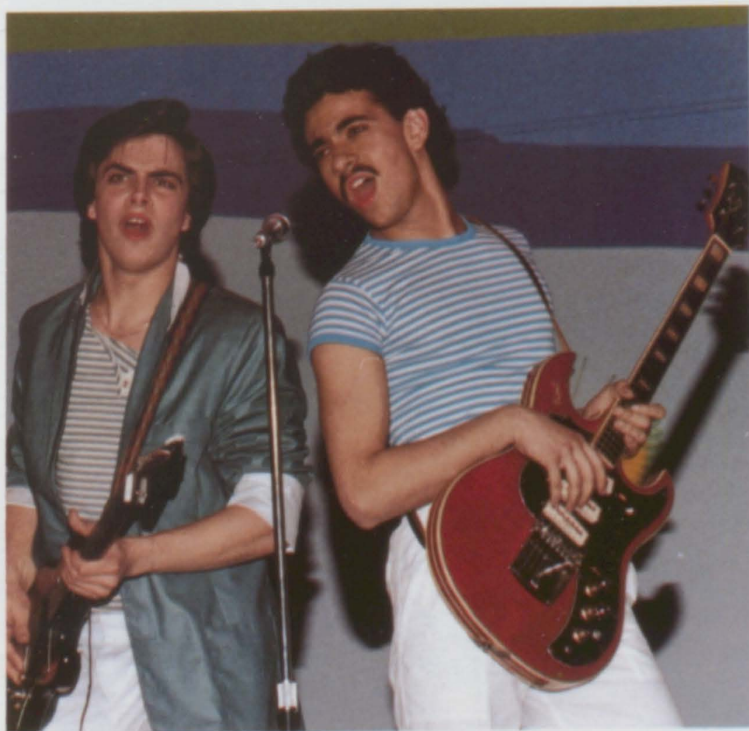

The show took many hours of hard work and patience to put together but thanks to Mr. Krolin, our advisor, and the rest of the cast it was an enormous success.

BUSY EAST SIDERS

From the beginning of the day, we East Siders are busy at work; many of us struggling to reach the door on time in order to avoid detention. Then we must prove ourselves by showing our I.D.'s. This may be a problem for some when they realize that they have somehow misplaced their I.D.

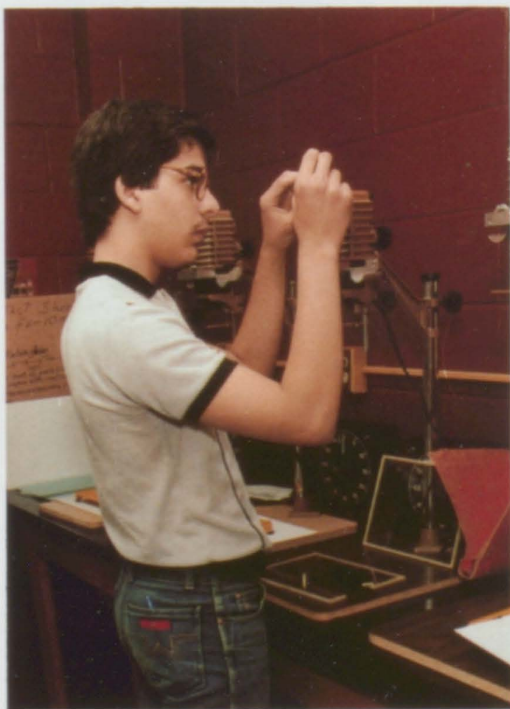

Homeroom is the next stop and this is what you might call the "awakening". Now we realize that we are beyond a shadow of a doubt, in school.

From here on we spend our morning in a series of classes. From Home Economics to Physics and all those others in between; East Siders can be found hard at work.

Well, it's finally lunchtime. Not that we are all hungry, but this gives us a chance to relax, enjoy a moment with friends, or just prepare for the afternoon classes that are still to come. Now that we have all regained our energy, you will find us rushing from class to class. Everywhere you look, you will see East Siders busy doing all sorts of things.

Just a touch.

Which one should I print?

What "I.D."?

I think it's alive.

Would you please repeat that?

OUR RISING STARS

During our Junior year, a variety of activities took place. One was presented on May 12th and 13th 1983, when the East Side Drama Club performed "Lovers and Other Strangers."

This production consisted of five one-act comedies and was held in the school auditorium. When the curtain went up at 8 p.m. the audience was treated to a variety of romantic situations enacted by the members of the Drama Club.

Another activity was the formation of the East Side Red Raider Winterguard. The guard consisted of 20 members who practiced for a total of 27 hours a week for months, until they were ready for competition. Combining rapid, sharp military moves to a contemporary style of dance the girls competed in the Eastern Marching Band Association under the Novice class.

The East Side Drama Club and Winterguard are only two of the many prestigious things we do at East Side High School.

O.K., O.K. you win.

You were such a beautiful bride.

This is strong stuff.

Let us show you how ...

And the winner is ...

Congratulations!

THE GRAND OPENING

The evening of May 4th, 1983, brought a new opening to East Side High: The Media Center. Among the guests present at this prestigious event were members of the Board of Education, administrators, parents and friends.

Our honored guests were, Mr. Jay, former East Side teacher, and Mrs. Houston, a member of the first graduating class of 1914. Mrs. Cardiellos, began the ceremonies and presented Mr. Jay, the guest speaker for the evening.

Mr. Jay, shared some amusing anecdotes from his days at East Side and made a very special statement, "Once an East Sider always an East Sider" this touched our hearts because we knew it would also be true for us.

Mr. Goff, former East Side Principal, presented a plaque, commemorating the event and marking this special opening.

Mrs. Cardiellos and Mr. Jay share a pleasant moment.

Mr. Ransom, Director of Fine Arts and Media, engaged in a pleasant conversation with Sonia Gonzalez a student hostess for the event.

Presenting the plaque at the ceremonies is former Principal, Mr. Goff.

Mrs. Houston, is presented flowers to commemorate the fact that she was a member of the first graduating class of 1914 at East Side High.

Mr. Jay, guest speaker shares a special remembrance.

IN RECOGNITION

Maria Manuela Cardiello, Principal of East Side High School, was born in Portugal and emigrated to the United States at the age of three (3). She attended Lafayette Street School and continued on to East Side High School graduating in 1942. Four years later she received her Bachelor of Arts degree from Douglass College, Rutgers University.

In 1943, she started the Bilingual classes for foreign students at Lafayette St. School.

For a number of years, Mrs. Cardiello taught Spanish and English at Central High School, where she was responsible for introducing the Spanish magazine, **Ole** and the Literary magazine **Leaves**.

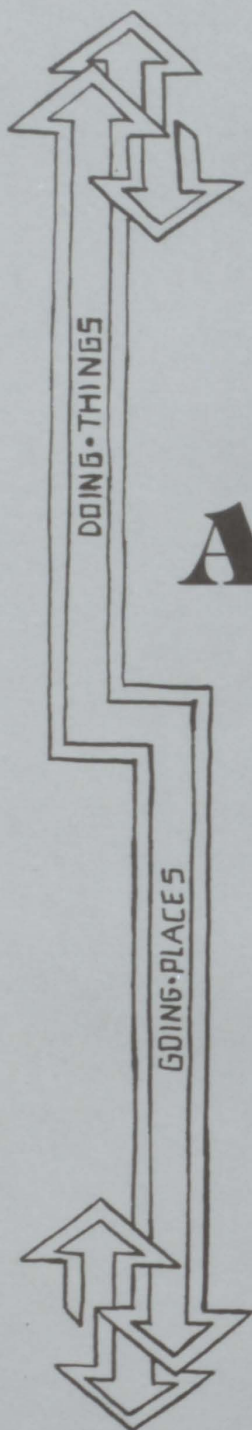

In 1968 she returned to her alma mater, East Side High School, as instructor of English and Spanish. At East Side, she introduced Portuguese as a foreign language and organized the Portuguese Club as well as the publication **Os Academicos**.

From 1973 through 1979 Maria Manuela Cardiello, was Teacher-to Assist, Bilingual Coordinator, and Acting Vice-Principal. During these years, she was instrumental in implementing a Bilingual Program at East Side High School in order to meet the needs of the Portuguese and Hispanic speaking student population. Mrs. Cardiello was appointed Vice-Principal and Dean of Instruction in December of 1981. She was designated Principal of East Side in March 1982, making her the first female graduate to achieve this position.

Mrs. Cardiello serves on numerous committees and advisory boards in the Ironbound Community. At present she is on the Board of Directors for St. James Hospital. In addition, she is an Educational Consultant to Portam T.V. in Newark, New Jersey. Further, both New York University and West Point Academy have recognized her for her abilities in both language and literature.

We the graduating class of 1984, take pride in recognizing Maria Manuela Cardiello as our Alumni of Superior Merit.

ACADEMICS

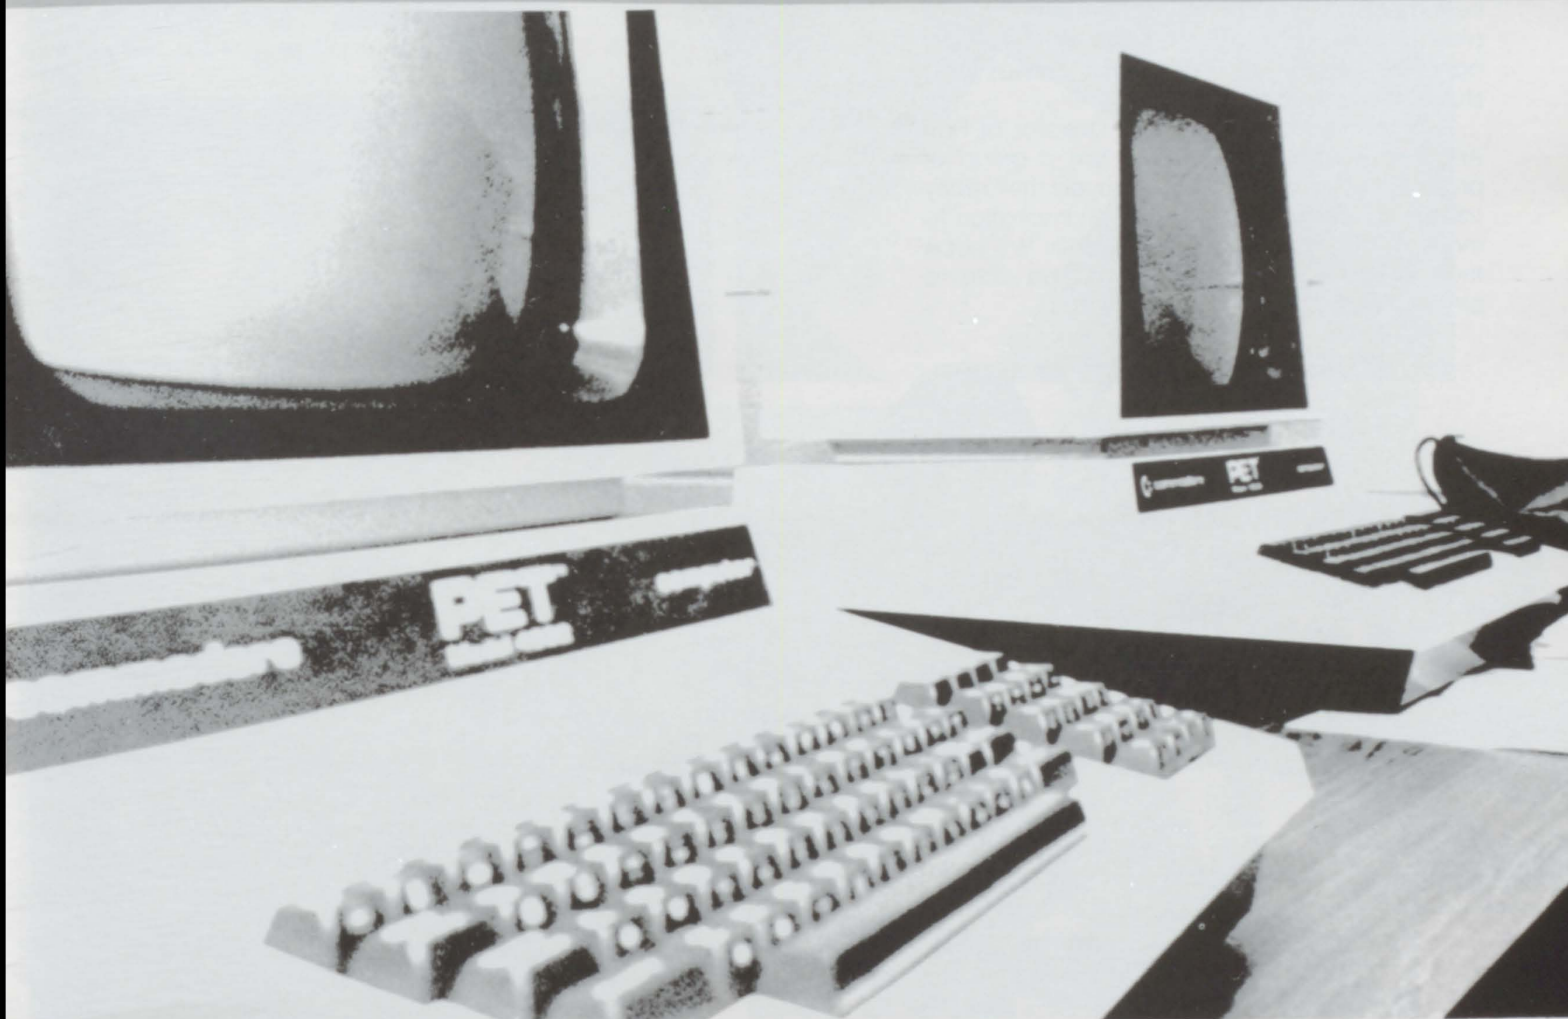

As the times change, so do East Siders. A few years ago Computer Math was introduced in our curriculum, and ever since it has been one of the most requested classes at the school.

Along with Computer Math, many honors classes have been added in the last few years. Classes designed to challenge our gifted students.

There are also Business and Technical classes in which students master skills which they will use on future jobs. Classes such as Typing I and II, Bookkeeping and Business Machines are offered to Secretarial and Business students.

Whatever courses our students may select they all have one thing in common . . . East Siders are going places and doing things.

Computers, Computers, . . .

ARTISTICALLY INCLINED

Many students think of school as a lot of reading and writing or math problems, but that is not what it is all about. Here at East Side, we have art and music classes in which students can demonstrate their many abilities by drawing, painting, playing a musical instrument or singing.

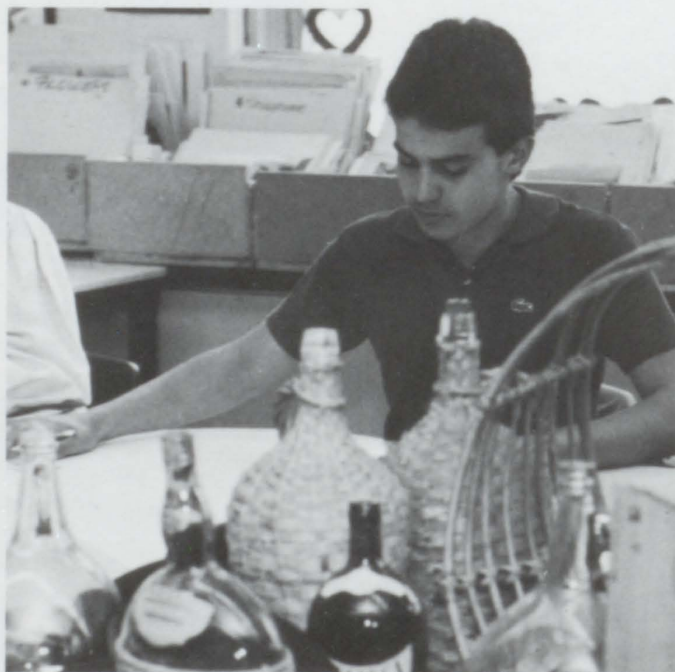

The art classes give students a chance to express their feelings and ideas through their art work.

There are Music Foundation classes, which give students an understanding of the history of music. In the Instrumental classes, students are given a chance to learn how to play an instrument of their choice. If they learn how to play this instrument well, they can join the school band or orchestra. The Chorus classes help students improve their singing.

Recently, Mr. Ransom, the Director of Fine Arts and Media, brought with him a group of professional musicians who displayed their many talents. By doing so, they were an inspiration to many of our music oriented students. We hope that someday, these students will be able to play as well as those musicians did.

BUSINESS AS USUAL

On May 7th, 1983, the Newark Business Skills Olympics were held at Malcolm X Shabazz High School. Three students for each section: Steno I and II, Typing I and II, Advanced Typing and Bookkeeping I and II were chosen to represent each school in the district.

The actual testing began at 9:00 A. M. with half an hour of practice and then on to the main events which lasted until 11:00 A. M.

Lunch was served while the contestants nervously awaited the results. Everyone was on the edge of their seats while the judges announced their decisions. One of the winners was Michelle Cynar who won second place in Steno II, another was Anabela Barandas who won third place in Typing II. Certificates and awards were given to the winners.

We are very proud of the business students who represented us in true East Side tradition.

White out please!

Scientifically Speaking . . .

Here at East Side we have a variety of Math and Science programs to challenge students.

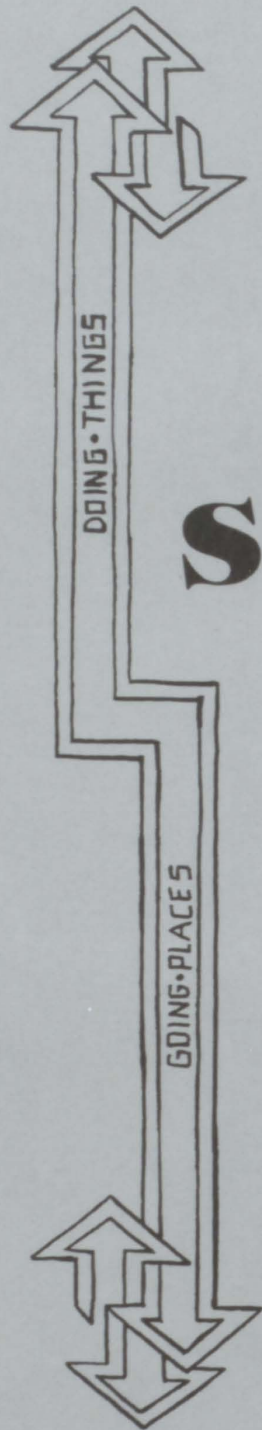

Our Math programs consist of courses such as Algebra I, Algebra II, and Geometry, as well as Trigonometry with Advanced Algebra, and Computer Math for the college bound student.

Our Science program contains courses such as Earth Science, Biology, Physics and Chemistry which include a separate lab class which is attended twice a week.

All of these classes provide a strong background for many jobs and courses of study, enabling East Side students to go places and do things.

Science on display.

SPORTS

Sports are a major influence on the students at East Side. Most of our students have participated in at least one sport during their years here. We have a great variety of winning teams. Some of the sports available to the boys are: football, soccer, basketball, and many more. We also have sports which girls are involved in and these include: basketball, softball, and track.

Our athletes practice for long hours throughout the season, sacrificing their spare time for the team. They show great determination and although they may not always achieve victory they definitely show the other teams what the raider's fighting spirit is all about.

The road to victory.

"BASES LOADED"

The girl's softball team ranked fourth in the Newark City League with an overall record of 6 wins and 13 losses.

The team was comprised of many talented players. The outstanding seniors included short stop Wilma Camacho who batted .383 had 14 RBI's and 16 stolen bases. The catcher, Rosa Caraballo batted .538 which included 2 doubles, 2 triples and 20 stolen bases. Josephine Pravatta assisted the team in the outfield and also gave East Side a home run.

The pitching staff was led by Maggie Correia who batted .364 and is credited with a shut out against Vailsburg.

Working together the team executed 7 double plays, hit 121 runs, batted .382 and stole a total of 135 bases including home 12 times! With much determination and skill the softball team is certainly going places.

ANOTHER CITY LEAGUE CHAMPIONSHIP

Newark East Side won another city league championship by beating Vailsburg in the last game of the season 15-0.

One of our outstanding performances was by pitcher Jorge Santiago who pitched a no hitter against Barringer. The highlights of our season were the victories over highly rated Nutley and the number 1 team in the state, Elizabeth.

Four members of the team, some of whom have graduated, were selected for the first team All City: Ronald Selecky, Manny Benitez, Carlos Rivera and Jorge Santiago. Ronald Selecky was also honored to be selected for the first team ALL COUNTY and first team ALL STATE. Jorge Santiago was picked for the 3rd team ALL COUNTY, as you can see our team has worked hard to be City Champs.

1st Win In 59 Games

The East Side football team experienced a surprising season this year. Our hope started rising when we realized that the football team scored in every game, even against some of the top city teams in Newark. On the day of November 5th, 1983, "It Happened." Our football team ended one of the longest losing streaks against West Side High School with a winning lead (12-6) which brought our team on to their first victory in 59 games. Our outstanding seniors, Sean Duhart, Randy Ortiz, Danny Grace, John Matos, and Rick Smith, along with the rest of our players worked very hard to bring about a victory this season.

Special thanks to our wonderful Coach Mr. DeFrancesco, and assistant coaches, Ron Gould, Tony Sanchez, Tom Ricks.

OUR SOCCER TEAM IS STILL ON TOP

The East Side Soccer team completed this season with a final record of 9 wins, 8 losses and 1 tie. They also managed to grasp the city championship once again.

The team consists of several outstanding players. Center, half-back Jack Da Silva contributed a total of 8 goals this season. On offense senior Armindo Saraiva, who is noted for his skill, scored 18 goals for our team. Also, Antonio Moraes and John Ferreira, who played defense for East Side, are to be commended for their skill and determination which helped to keep the opposing team away from the East Side net.

The rest of the seniors on the team are: Angel Trejo, Thyerry Fernandes, Armando DaCunha, Jose Osorio, Jose Casimiro, Luis Martins, Antonio Tome, Fernando Lavrador, and Francisco Casal.

Because of the consistency of all the players, the East Side Soccer team managed, once again, to finish on top.

Hockey Team Places 1st

The hockey team experienced a superior season this year. Their dedication and skill is acknowledged in their final record of 13-2-6; which included 1st place in the C-Division Championship.

The team is composed of many fine players which include captain, Bobby Strycharz, and goalie, Tommy Blozen. Both have been on the team for four years and both have been given Most Valuable Player Awards. The other outstanding senior players are: John Rodrigues, and Mathew McKeon.

We are very proud of our team and congratulate them on their success along with coaches Wichowski, Blozen, and Stanco.

TRACK SHOWS SIGNS OF GROWTH

The future of our track teams looks bright, led by Mario Branco on the track and Randy Ortiz on the field events. Our team supported a very respectable (9-4) record, although 1984 was considered to be a rebuilding year. Mario Branco was the city champ in the mile run and the two mile run while Randy Ortiz was the city champ in the shot put.

The girls track team, led by captain, Rosa Domingues, who won four mile races of her own, also managed to show great potential this year.

A person's worth is judged by their contribution to the team. East Side can be proud of the many fine track and field athletes it has produced. We're Number One.

1st WINNING SEASON IN EIGHT YEARS

This year's basketball team underwent an exceptional season. With the direction of Mr. Gould and Coach Duggan, the team achieved its first winning season since 1976 with a final record of 13 wins and 12 losses.

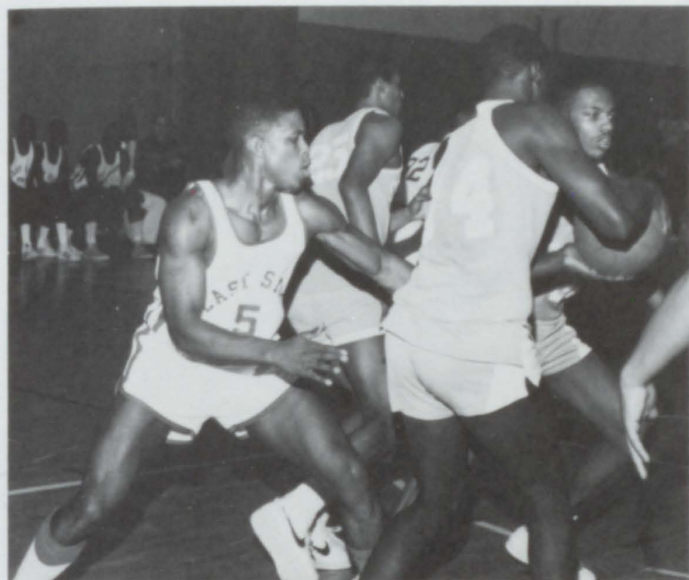

The team's other accomplishments include: *Having the record for the most times beating an opponent in a season - by beating Weequahic three times. *Most points in a city league game - 84 points against Vailsburg. *Largest margin of victory in a city league game - 37 points, also against Vailsburg.

Captains Danny Grace and Keith Rackley are equally credited with the team's success this year. And, Keith Rackley obtained a record of his own by having 16 assists in a game against Vailsburg.

We congratulate the basketball team and wish them equal success next season.

AIMING TO WIN

This year our tennis team finished the year with a record of 13-2 and captured the city championship for the 4th consecutive year.

The seniors who contributed to the team's success are Tony Fonseca, who played first singles and had a final record of 14-2, second singles Fernando Marques, who had a record of 11-3, and John Matos/Jose DaSilva who played first doubles and shared an overall record of 15-2.

The players not only achieved considerable scores individually but also performed impressively as a team. With the continued dedication of the players and the coaching of Mrs. Alexander, the tennis team is assured prolonged success.

What an easy shot! . . .

City Tournament Champions

Ronald Mason looking his best.

The golf team had a strong season this year. Even though they had a slow start and a few of their games were rained out, they still finished 3rd in the city with 7 wins and 8 losses.

The seniors were co-captains Ronald Mason and Johnny Welcher. Ronald Mason represented East Side in the Lee Elder Tournament where he received praise and recognition for his successful swings. And along with Johnny Welcher he helped East Side to rank 3rd in the City Tournament.

The golf team expects to have a good season next spring as a result of the growing interest and enthusiasm in the sport.

CLUBS/ ACTIVITIES

There are various clubs and activities offered at East Side. Most of the meetings are held before or after school. Each club has an advisor and elected officers.

To be involved in any activity, the student must show ability and be able to maintain a B or C average throughout the year.

In addition the students are rewarded with certificates, trophies, and awards for their outstanding efforts.

East Siders find that by joining a club or being involved with an activity the rewards are valuable experiences to be used later in life.

Work that body!

CLUB MEETING TODAY ...

The Boricua Club was established primarily for the purpose of exploring the needs of Puerto Rican-Latino youths. The Clubs' advisors also serve as counselors to aid the students in career opportunities and goals.

The club is involved in numerous fund raisers and community activities. They also meet with other Aspira members throughout New Jersey to discuss the various activities in which they will participate.

An annual dance is also being sponsored by Aspira in which a student will receive a Scholarship for their achievements.

Boricua Club: First row: Enid Guerrido, Isabel Ferreira, Madeline Alvarado, Lillian Lopez, Suzy Santiago, Gina Rodriguez, Sonia Gonzalez. Second row: Ms. Donna Lorenzo, Jo-Ann Rodriguez, Munez Aurelys, Daniel Rodriguez, Jose Claudio, Santiago Lebron, Ricky Santiago, Javier Ramos, Evelyn Ortiz, Hector Teofilo, Ms. Rodriguez.

East Sides outstanding vocalist group directed by Mrs. Glover is involved in many different activities throughout the year. Choir J presented a Christmas concert at East Side as well as a Symphony Hall. They also have gone Christmas caroling at St. James Hospital.

In the future, plans are for an Opera Festival, Spring musical and participation at the June graduation ceremonies.

If my friends could see me now.

The Honor Society Induction Ceremonies for new members took place on May 1, 1983 at 7:30 p. m. The officers of the Honor Society began the ceremony by lighting candles and explaining what each candle represented. The guest speaker was Mr. Adam Stanislawczyk, who spoke to the group briefly about leadership and service. In closing, he left us with this thought "you may close your eyes to reality but never to memories." Mrs. Glover then introduced the new members who received their certificates and pins of membership. The members met afterwards with Mr. Stanislawczyk where refreshments were served.

Congratulations!

Mrs. Glover, making the introductions.

Lighting the way for the ceremony.

THIS MEETING WILL COME TO ORDER

Computer Club: First row: Antonio DeAlmeida, Paul Flor, Daene Aureliano, Amador Castelo, Maria DeOliveira, Second row: Mr. Salagaj, club advisor, Luis Pereira, Michael Yuschak, Michelle Fogler, Christine Oliveira, RoseMarie Bola, Chee Eng, Sam Lee, Third row: Jose Da Silva.

Computers are the future and East Siders are taking part in it. With the help of Mr. Salagaj, club advisor, members are able to review advanced programming techniques. Computers are also very helpful; they aid in the developing of Senior Class rank and can be used in order to play various Video games.

The club is planning to enter the Statewide Computer Programming Competition in January when they will compete with other schools.

Drama Club: Front row: Ivonne Durant, Sheline Snowden, Tuana Jackson, Mabelia Almeida, Tony Matos, Back row: Erick Hermo, Leticia Rodriguez, Lucia Pires, Damary Perez, Edgar Almeida, Ms. Nanni, Juvenal Gaspar, Susan Cifrodela, Lorraine Lland, Rosa Reverendo, Maria Pereira, Diane Bothelo.

The members of the Drama Club are on their way to fame with the help and supervision of Miss Nanni, the advisor.

Members of the club will present two performances of one act plays in December of 1983. The energetic and excited characters usually run the shows smoothly without a hint that they are nervous. All of the plays have been a success and Miss Nanni has been fortunate to have such talented actors and actresses.

French Club: Back row: Tristan Pittman, Antonio Brandao, Arthur Guedes, Luis Santos, Mario Coelho, Jose Mendes, Martha Bahanan, Ceu Martinez, Ana Cantante, M. Fatima Marques, Mrs. M. Castanheira, Advisor, Front row: Alda Xavier, Dina Sa, Irene Manso, M. Connie Pires, M. Louise Fernandez, Noemi Dias.

This club meets to learn more about France and the French culture in a more social atmosphere.

The club plans many activities during the year such as: Fete de Noel for Christmas, a Mardi Gras celebration and they also plan to participate in International Night.

Senior members will also receive awards at the end of the school year for their participation in the French Club.

Dungeons and Dragons Club: First row: Ana Matos, Jackie Colon, Nilda Dominguez, Alda Xavier, Maria Matos, Gloria Gomez, Stella Ho. Second row: Paul Carlos, Odete Azevedo, Mike Latorre, Alex Franco, John Matos, Jose DaSilva, Michael Marza, Mr. Zenga. Third row: Claudia Rodrigues, Nela Oliveira, John Cunha, Gaspar Cerquiera, Ted Silva.

This club was established primarily for the purpose of developing creativity, imagination and organization among the members.

Mr. Zenga advises the club which plans to have numerous cake sales in order to raise funds for the purchase of books they will use.

Gym/Weight Lifting Club: First row: Jack Olivera, Jose Alyon, Gary Verdes, Vincent Cavallo, Alex Hernandez, Michael Sostak. Second row: Santiago Lebron, Carlos Gafanma, Ronald Arnold, Jack Barbas, Carlos Sanjurjo, Michael Pimentel, Steve Sostak, Carlos Jesus, Armindo Amado, Ronald Mason.

The members of this club meet often in the Universal Gym where they endure their strenuous routines.

Mr. Blasi, the advisor coaches the members on the proper use of the equipment and the dangers that prevail.

Members look to Mr. Blasi for encouragement as well as advice. He advises them about the significant effects that weight-lifting has on one's physical appearance as well as the individuals well-being.

It requires numerous hours of practice but to these guys its all worth it in the end.

Newspaper Staff: First row: Antonio Caetano, Julie Resende, Maria Farinhas, Diane Lemos, Nilda Dominguez, Ana Sanchez, Mrs. Pellerito. Second row: Yvonne Duarte, Casilda Bya, Jackie Colon, Maria Malheiro, Nancy Guerreiro, Isabel Ferreira, Antonio Brando. Third row: Mary Ferreira, Linda DaSilva, Carmela Rodriguez, Olga Valente, Jo Ann Rodriguez, Maribel Gonzalez, Gina Rodriguez, Ronald Mason.

If you want to know whats happening in school, read the Announcer. It contains all activities which go on in the school. Thanks to talented staff members, the newspaper is very organized and informative. Mrs. Pellerito, the advisor, is always on hand to make sure the newspaper is a success.

The newspaper staff will be attending a journalism conference in the near future.

Is There A Meeting Today?

The purpose of this club is to encourage the mastery of the Portuguese language on a conversational level and the awareness through contact with its customs.

Some of the activities which the club plans throughout the year are as follows: participation in International Night, in the festivities of "Portugal Day" and the editing of the club magazine "Os Academicos."

A trip to a Portuguese Art Gallery in New York during Christmas vacation; a luncheon with the students from Saddle Brook High School at Mardi-Gras time; a trip to the United Nations during Easter vacation; and the club's annual picnic at the end of the year are also on the club's agenda.

A presentation of awards are to be given to the outstanding seniors in the club.

This club was established to promote positive student attitudes toward environmental concerns through sporting activities with special emphasis on safety.

Members meet with Mr. Guarino to discuss the use of sporting equipment such as: fishing, camping, and archery.

The club also plans numerous trips to listen to speakers on various topics.

Portuguese Club: First Row: Fernando Santos, Americo Evaristo, Francisco Mendonca, Helena Dias, Luis Matos, Celeste Cunha, Victor Pinho, Celso Ferreira, Maria H. The Student Federation/Civic Association was established to organize all major student groups for the purpose of improving the environment at East Side High School.

Members meet with Mr. Molinaro to discuss ways of preventing vandalism, the cutting of class and the setting off of fire alarms.

The club plans a dinner party and students will be recognized by receiving awards.

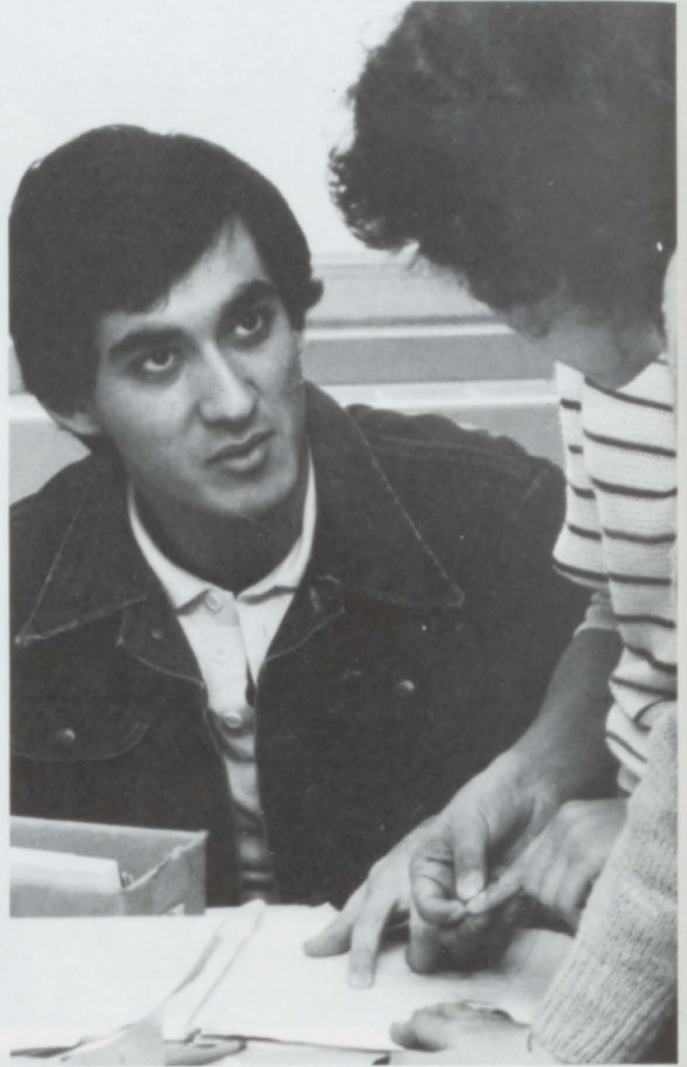

Our Very Best

Sports editors discussing the layout.

Discussing an item for the yearbook copy is Antonio De Almeida.

Maria Catarino working on the yearbook cover design.

Where should this picture be placed?

It all begins at 7:30 every morning. Awake or not, decisions have to be made and deadlines have to be met. We work very hard selecting pictures, writing copy and working on lay-outs. Our favorite time is "caption writing" when we all have input into what appears in written form under a picture.

Under the constant supervision of Dr. Pellegrino, our Advisor, the yearbook begins to emerge. Our theme, Going Places, Doing Things reflects what the class of '84 is about. We have attempted to bring together through pictures and copy our special year as Seniors at East Side.

We consider working on the yearbook a special part of our lives; we also believe our book shows us Going Places and Doing Things.

Members of the staff race to meet a deadline.

OUR VISIT TO THE BIG APPLE

On October 17, 1983 some of our seniors were invited to participate in a trip to the United Nations. We were going with the purpose of meeting with a Russian delegate and asking questions about the shooting down of the Korean Jet-liner.

After arrival, we proceeded to an auditorium where we met with the delegate. He gave us a brief summary of his country's policies and ideas. Then the floor was open for discussion. Many interesting and well-thought out questions were asked and there was a lot of controversy between our students and the delegate.

After the meeting, we were given a guided tour of the United Nations. We were told what its basic purpose is and we saw several pieces of art work donated by other countries.

Most of us realized that our trip to the United Nations was a very interesting experience.

Senior trip members included: Ilana Rodriguez, Miguel Ley, Gina Rodriguez, Teresa Smela, Wilma Camacho, Omar Heguy, Irma Rivera, Antonio De Almeida, Pilar Caamano

The Senior Class presented the Halloween Danceteria on October 28, 1983 at 7:30 p.m.

Refreshments were served throughout the evening and the music was supplied by D. J. Freddy Freak.

Everyone enjoyed themselves thoroughly. Some came in beautifully designed costumes, whereas others came dressed as usual.

Prizes were offered for the costumes in the following areas: Funniest, Scariest and Most Original.

All in all the evening was a total success and everyone had a great time.

MEDIEVAL FESTIVAL PRESENTS IVANHOE

The Seventh annual Medieval Festival took place on January 20, 1984 in the library. The Medieval Festival is an outgrowth of what Mrs. Matarazzo's Honors English IV class studies from the beginning of the year. This year they presented a scene from Ivanhoe. Invitations had been sent out and costumes had been made and lines memorized. The main characters in the play were Rebecca, played by Mary Jo Kacerek, The Grandmaster, played by Daryll Kilgore, Malvoisin, played by Chee Eng, Brian de Bois Guilbert, played by Michael Yuschak, Lady Rowena played by Maria Corbacho, Ivanhoe, played by Anthony Moraes and as Narrator, Christine Oliveira. The day finally arrived, the guests were seated and the procession began. The play was received well by all. Refreshments based on those used during the Medieval era were served. The Medieval Festival is a tradition at East Side and the class of '84 is proud to carry it on.

Our Red and White Stars

When we go to a football game on a Saturday morning, we always find the energy and enthusiasm of the East Side Cheerleaders, Twirlers and Color Guards.

The cheerleaders cheer through rain, snow and freezing temperatures as they support the team.

Our color guard is best known for their performances at the games in which they demonstrate timing, precision and above all coordination.

Our twirlers endure long hours of practice and a tremendous amount of determination as they strive for school spirit.

The many hours of practice pay off as they make half-time performances a splendor to watch.

Cheerleaders: First row: Shavonna Gordon, Isabel Ferreira, captain, Jequetta Jennings, Second row, Tonya Bishop, Antinette Evens, Alda D'Alessio, Third row, Celeste Caraway, Yvonne Nats, Deborah Gresham, Sharon Gresham, Brisha Pitts.

The Flag Squad, at East Side is only a few years old, but they are fortunate enough to have members with dedication and a willingness to learn. This has made the guard the best ever.

This year the squad received new uniforms which added to the color of their performances.

We also want to recognize the American Section, Banner Carriers, and our mascot, Keisha Eatman who complete this important squad.

Coach Dickerson, introduces the program.

As part of the Physical Education Program at East Side, dance and body building both contribute to a positive attitude towards physical fitness.

The dancing provides a sense of rhythm and motion that is exciting to watch. Body building is also beneficial because it helps to develop muscle tone.

An assembly program was held where a combination of gymnastics, dance and body building for the Junior and Senior classes was presented by the talented students involved with these activities.

ADMINISTRATION FACULTY

During our four years at East Side, our faculty and administration helped us a great deal. Many times they went out of their way to encourage and direct us. Our teachers tried to give us the best education available to make us better people in our society. They tried their best to help us achieve our goals.

Our guidance counselors helped us with classes and also with various college applications.

We cannot forget our administration who sometimes with their rules and regulations, tried to make East Side a better place for everyone. We appreciate everything they did. We want them to know that we will always think of them as our East Side family.

AT THE HEAD OF THE CLASS

We are very fortunate to have a dedicated principal and five vice principals heading our school. They handle their respective duties with pride and have helped to bring prestige to our school.

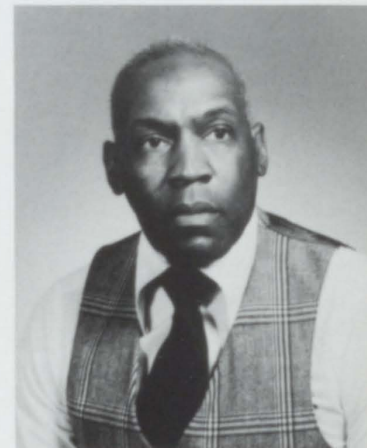

During our four years at East Side they have all helped us in one way or another and we thank them for their time and dedication.

Mrs. Maria M. Cardiellos - Principal

Mr. Joseph Chagnon - Vice Principal

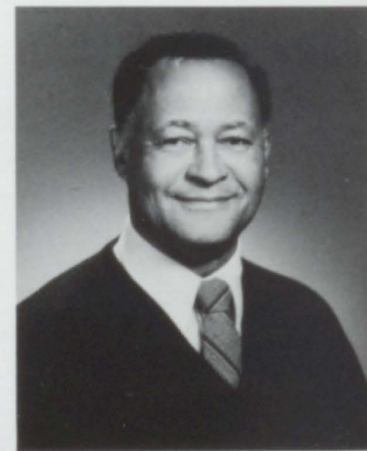

Mr. Jack De Fares - Vice Principal

Mr. Angelo Sena - Vice Principal

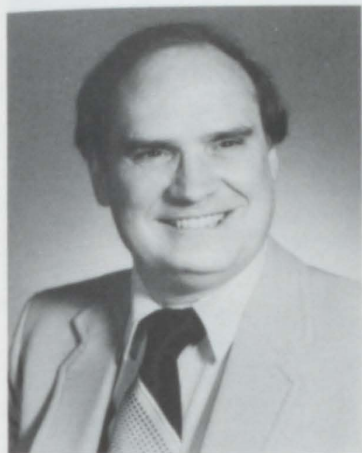

Mrs. Carmela Palotta - Vice Principal

Mr. James Martin - Vice Principal

HELPING US TO GO PLACES ...

Art and Music are evident in some form in every facet of our life. Our Art and Music Departments help to develop our artistic abilities to their fullest, and to produce many artists, musicians and vocalists. The dedicated faculty members truly care about the students and often spend hours trying to encourage them to use their hidden talents. Through their guidance our talented students will be on the road to success.

9 TO 5

Our business department helps to develop our skills in many ways. Classes such as typing, business machines, recordkeeping, stenography, and bookkeeping prepare secretarial students for their future. Most of these students will go into the business world with the skills that they developed here at East Side.

With the help of our business department, East Siders are ready for the many challenges of the "real world".

Never At A Loss For Words

Where can you be encouraged to select a book and find yourself engrossed in a mythological title of Old England or be cast away on a tropical island?

What about those endless vocabulary lists and practice tests in Standard Written English to help raise those verbal SAT scores.

How about those essay contests to help us prepare for all the college applications which require 1,984 words on "Why I Want to go to College"? Where could you find all this and more? In the English classes at East Side with the help of our highly trained teachers, you will never be at a loss for words.

PREPARING FOR TOMORROW

It is difficult to live in a community with so many different nationalities without any knowledge of the many other different cultures and customs which surround us. Our foreign language classes help us to better understand the people around us.

These classes give us a chance to learn their language and become aware of their cultures. This knowledge becomes more helpful as the world becomes smaller through advanced means of communications. By broadening our understanding of foreign language we are better prepared to go places and do things.

Mrs. Cavanaugh, Senior Counselor gives advice to college bound students.

Our guidance counselors are an important part of our years at East Side. Beginning in Freshman year, when they helped us settle our schedule changes; through Senior year when the rush was on for college information.

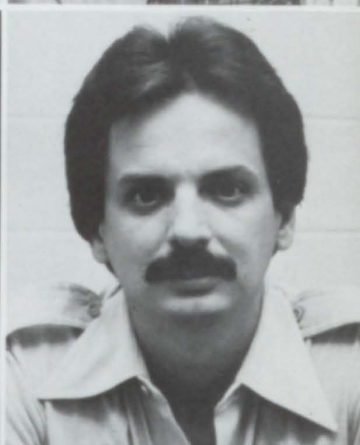

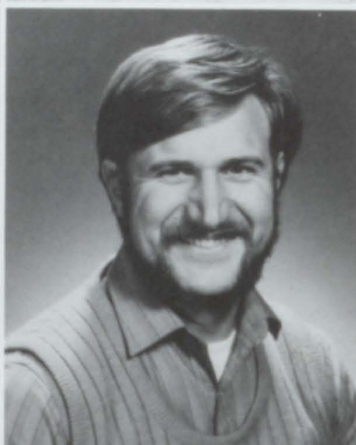

The guidance office is a place where many seniors spend time huddled behind college catalogues and scholarship forms. The senior counselors, Mrs. Cavanaugh and Mrs. Rosen, became our personal mentors with help in meeting deadlines for applications and financial aid forms.

Despite the paperwork, they never let us down in helping us prepare for tomorrow.

Learning the Basics

There are many different kinds of classes a student can take advantage of at East Side.

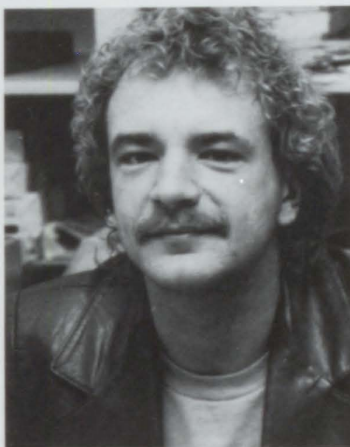

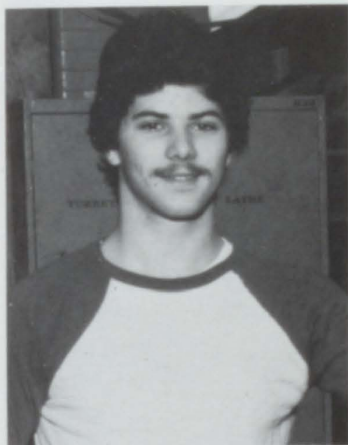

In order to have a complete and well rounded education a multitude of courses such as cooking, sewing, graphic arts, woodshop, electronics and mechanical drawing are offered.

The students in these classes learn how to handle the chores they must undertake in life, and they learn how to perform them well.

They are taught by teachers who not only are professionals in their respective areas but have the experience which is passed on.

Since elementary school we have been drilled on simple arithmetic to prepare us for our more difficult High School curriculum. In Freshman year we were introduced to Algebra; a seemingly impossible course, but with the help of our dedicated teachers we overcame the difficulties.

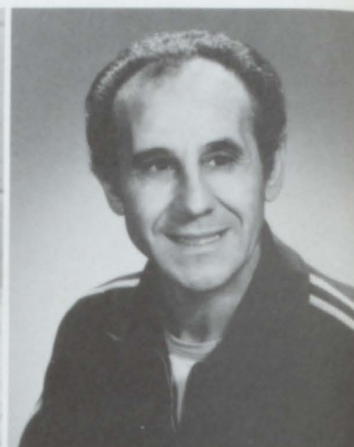

With each new year, came a new math course, and yet we found another dedicated instructor to guide us along.

Math is and will be an important part of our lives. It is used every day and is common among many professions such as: engineering, accounting, and computer programming. No matter what career one selects, math will always be a part of our lives.

WORKING OUT

Mr. Zarro: B.A. Health

Many students may think of "Gym" as a fun class. But, the students here at East Side think of it not only as fun but as serious business.

It is in the gym and health classes that we learn how to keep our bodies in shape and healthy.

Since freshman year we have practiced a variety of sports, aerobics, square dancing and various exercises to stay in shape. It's not easy to get into your gym suit and go across to the park to run the mile at 8:45 A.M., but with the East Side determination anything can be done.

In our health classes we have learned everything about first aid, nutrition, cancer prevention, and driver's education. We are fortunate to have had such great teachers during our four years here at East Side.

To the left, to the right.

THE WORLD OF TOMORROW ...

From Practical Science to Chemistry, the science department at East Side is put together with competent instructors. Whether we are led through the "genus and species" in Biology, the degree of the incline plane in Physics, or "diatomic molecules" in Chemistry, we are constantly being given the knowledge of our experienced teachers. We will be well prepared for the Technological World.

Our social studies department offers elective classes such as Psychology and Sociology as well as the required classes of World History and U.S. History.

In history class, we are given an objective view of our past from the beginning of civilization as we know it, to the birth of our own nation.

We are also made aware of world problems today and the changes which are forecast for tomorrow.

The psychology and sociology classes give us a better understanding of people and societies. This will help us in our understanding of a global community as we make plans to become an important part of that community.

At East Side, we have faculty members who help us in special ways.

This year, the Special Education Department added two new members, Mr. Cullen and Ms. James. We welcome them and wish them our best. Dr. Lindgren and Mr. Moscatiello, our Project Teachers for the Chapter I program, work with those students who need special help in the areas of Math and Reading.

In addition, our Speech Therapist, Mr. Grant and our Remedial Reading teacher, Mrs. Vernie Young are ready to assist those students who require that extra help.

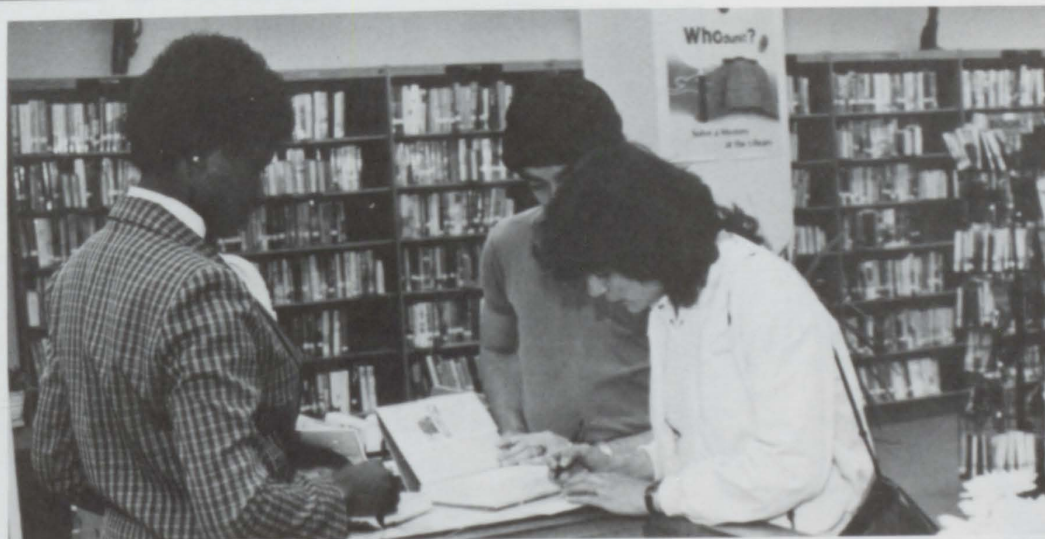

Another branch of our "Specials" can be found in the Media Center. This year, however, Mrs. Shadowitz, one of our dedicated librarians, retired after many years of service. We wish her well in the days ahead.

Mrs. Lopez, our Testing Coordinator, assists those students new to the English language and Ms. Rodrigues, Service Worker, works with students and their families whenever necessary.

The Attendance Department has also added a new member, Mr. Jack. He is in charge of the Truancy Task Force. We are sure that he will help with the continued success of our attendance improvement plan.

Our school nurses, Mrs. Block and Ms. Sheridan, help provide many of our students with needed information regarding health matters.

Mr. Rendeiro, our Bilingual Resource Specialist, gives special attention to the many needs of our bilingual students along with Mr. Wichowski, school drug coordinator, who gives of his time and energy keeping students informed about the negative aspects of drug use.

Please return the book by June 22, 1984.

OTHER MEMBERS OF OUR FAMILY

Who do you think types those Announcements? How about those absence lists? O. K., now for a tough one. How about our high school transcripts that are sent to the colleges? Our own secretaries, that's who!

Our secretaries are always busy gathering important information to be used by us. They are a crucial part of our personnel who help to keep our school system running smoothly.

This line for "cold" lunch.

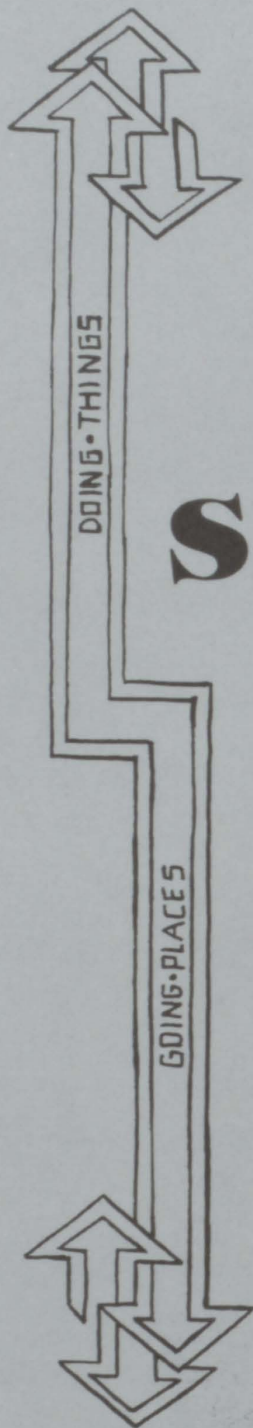

The 5th period pig-out.

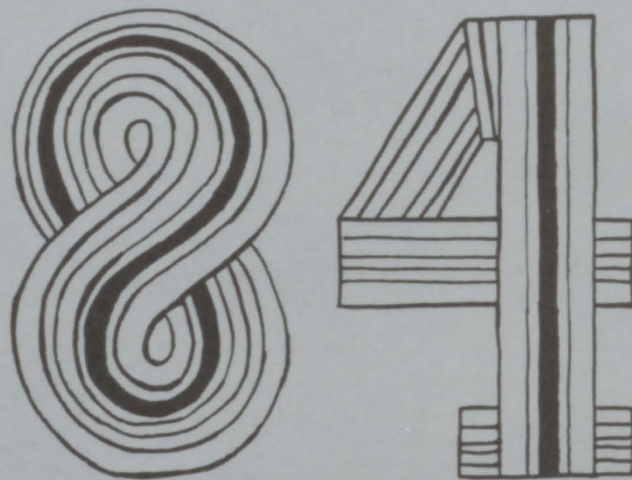

Early in the morning the cafeteria workers are busy preparing our well balanced lunches. They are dedicated to giving us the best possible meals. With the arrival of the closed lunch program they were faced with double the amount of preparation, but they still managed to keep the lunchroom running smoothly.

The custodians take pride in keeping our school the cleanest it can be. They spend long hours here and they make us feel right at home. Safety is very important to our security guards. They make sure that we learn in a safe environment. They give us a feeling of security; a valued part of our life at East Side.

It takes all of these dedicated people to keep our school running smoothly and they are very important part of the East Side family.

SENIORS

Wasn't it just yesterday that we walked into the auditorium for freshman orientation? We were anxious and ready for anything. The next four years would be what everyone refers to as "the best years of our lives." We became part of the East Side family and were amazed by those seemingly untouchable Seniors. Those upperclassmen who held an air of excitement and sureness about the future that we could only strive for.

We stood by and watched as they received class rings and awards; as they talked of proms and graduation. Nothing could make our Senior year come soon enough it was always so far away.

What ever happened to those "Seniors" we always looked up to, the ones who carried the East Side tradition through yet another four years? We became those Seniors.

Working hard, or hardly working?

PEOPLE AT THE TOP

Mr. Krolin, Class Advisor, and Class Officers.

We the graduating class of 1984 wish to thank Mr. Krolin, our Senior Class Advisor, for his many efforts on our behalf.

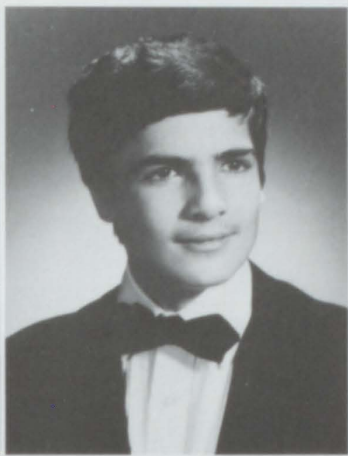

Thanks to his efforts, our class was involved in a number of activities such as our Fashion Show, 50's Dance, Junior Prom and Halloween Dance; not to mention all the senior activities such as, the Picnic, Farewell Dance, Senior Banquet and the Senior Prom.

These memorable occasions will always be the highlights of our High School years. Assisting Mr. Krolin and heading the Senior Class are our officers. Beginning with President Emilio Mouro, Vice President George Gonzales, and Assistant Vice President Chee Eng, along with Treasurers John Matos and Antonio Tome, and Secretary Dina Matos. They have done an exceptional job in handling matters such as the collection of class dues and planning activities for the benefit of our class.

Not to be forgotten is Rosemarie Bola, the Valedictorian, who also serves as the Honor Society President.

Rosemarie's activities include the positions of President of the Honor Society, Student Council Senior Senator and Assistant Secretary to the senior class. She has also been a member of the Outdoor Club and the History Club.

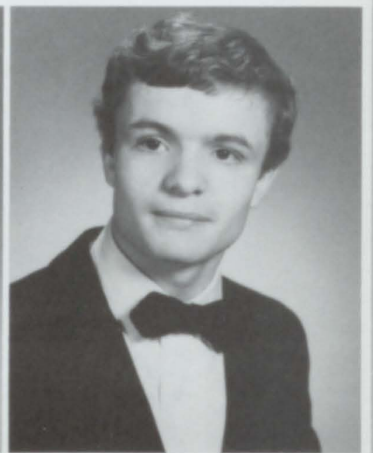

Rosemarie has received the Rutgers Scholar Award for ranking number one in the Junior Class. She was also the winner of Second Prize in the first annual Newark Business Skills Olympics in the area of Typing II.

In the future, our Valedictorian plans to attend college while at the same time continue working and someday own the agency where she is employed.

With Rosemarie's dedication to her work and her remarkable aptitude, this should be well within her reach.

Jorge Santiago, pitcher for our varsity baseball team, is a tremendous athlete. He is credited with pitching a no hitter against Barringer, last year, that led to an East Side victory of 7 - 1. He finished the season with an overall record of 6 - 1 - 1. Jorge is also used as a designated hitter and has compiled a .390 batting average.

In his junior year he received the Most Valuable Junior award on the varsity team and in June 1983 he was voted East Sider of the month.

Upon graduation, he plans to attend Fairleigh Dickenson University and expects to participate in their varsity baseball team.

A no-hit pitcher.

STRIVING FOR THE TOP

One of the most outstanding business students at East Side is, Michele Cynar, who won second place in Steno II last year. She is currently taking 90 words per minute and is preparing herself for another try at the Olympics, scheduled for May.

Her future plans include majoring in business or legal education at Seton Hall University. This is a very challenging and easy career for such an exceptional student.

CLOSED FOR GOOD?

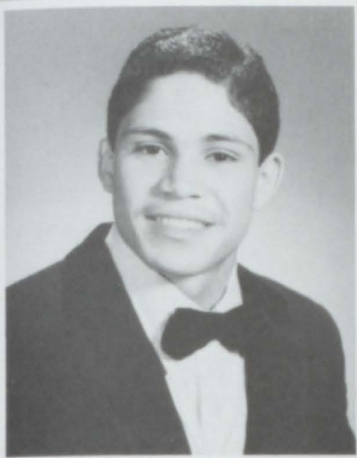

In the beginning of our senior year closed lunch was introduced. For some of us it was a shock; we were used to our local hang outs (Populars, GP's, Ralphs's, Ali's.) Despite our protests, closed lunch remained. At first it was hard to get used to, but we soon realized that it brought the seniors closer together. We are often found at our tables reminiscing about events that happened during our years here; helping to figure out last night's Chemistry homework, or sharing our graduation plans.

We also figured out what to eat in the cafeteria. Everyone usually agrees on the salad bar as a good choice.

In the long run, closed lunch proved to be very successful.

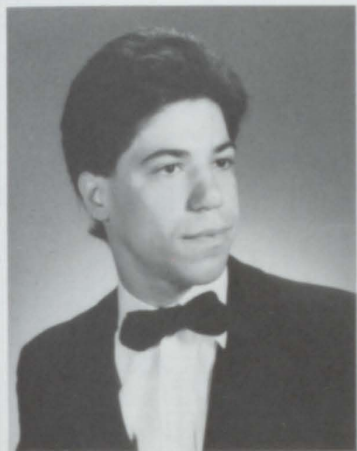

Delicious!

Promising Engineer, Luis Pereira.

Graduating second in the class is Luis Pereira with a GPA of 4.26. Luis has been very active over his four years in East Side. His credits include the Computer Club, History Club, Guidance Advisory Board, Sportsmans Club as well as the National Honor Society and Fashion Show member.

He has also served as a Computer Aide, has taken part in CHIME '83 (a program in chemical engineering) and extra courses in Linear and Computer Math at Essex County College.

Luis has been listed in "Who's Who Among American High School Students" and received a National Merit Leadership Award.

One of his outstanding achievements was using his knowledge of computers to program major computer projects for school.

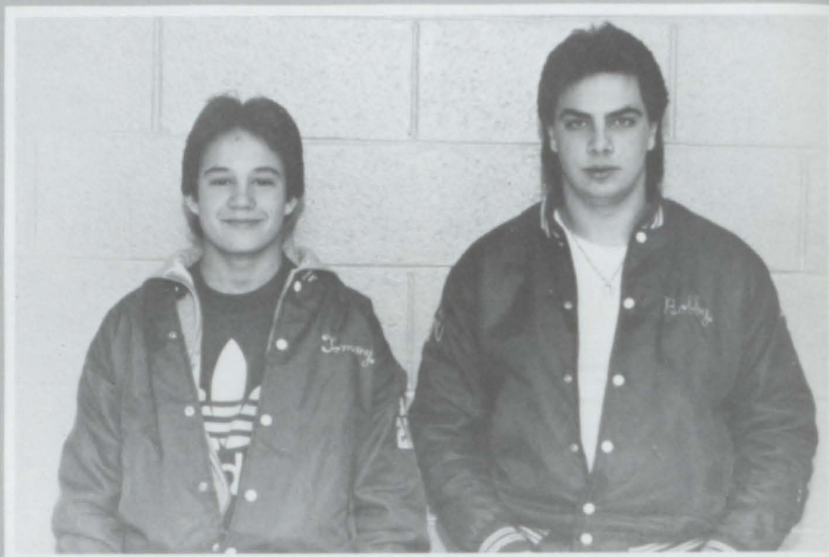

This "Top Ten" student's future plans include attaining a masters degree in Electrical Engineering and working toward a managerial position in industry.

Magic On Ice

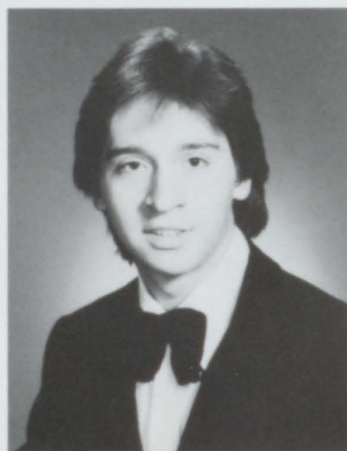

Bobby Strycharz and Tommy Blozen are two of our finest hockey players this year. Both players have been on the team for 4 years and both were given Most Valuable Player Awards.

Bobby who plays right wing made the "C" division on the 1st team All-Stars. And, Tommy, our goalie, is credited with several shut outs and doing a great job of defending our team against penalty shots.

Tommy plans to become a truck driver after graduation, and Bobby plans to become an electrician. Although both of them have very different future plans, one thing is sure, they will definitely continue to play hockey.

Tony Raimundo, number nine in our graduating class with a GPA of 4.0, has led an eventful high school life. He has taken part in such activities as the Computer Club, the Guidance Advisory Board and has served on the Student Council Executive Board as well as being Homeroom Representative.

Tony's other interests vary from being on the wrestling team, to taking part in the Junior Class Fashion Show, as a model, and being a member of the National Honor Society. He also received runner-up in the Ironbound Optimists Oratorical Contest and is listed in the publication, "Who's Who Among American High School Students."

Plans for the future consist of going on to college and majoring in business administration with graduate school possibly being the next step.

This scholar's long-range plans center on being a successful executive. Anyone who knows Tony also knows he will have no trouble accomplishing this.

Lord of the Flies captures Tony's interest.

A FUTURE IN COMMERCIAL ART

Maria Catarino is a truly exceptional artist. She has won many awards for her efforts such as "Newark Pride in Progress," where she attended a ceremony in Atlantic City and received a plaque and a \$100.00 Savings Bond. She also won first place for designing a logo for the "Science Teacher's Association of Newark" as well as having her art work displayed in the Newark Teen Arts Festival at the Newark Museum.

Maria has also contributed to the scenery for both the Fashion Show and the annual Musical as well as doing all of the artwork for the '84 yearbook.

A future in Commercial Art is Maria's plan, and she wants to attend college, taking a commercial art major.

Talent in motion.

ATHLETE OF THE YEAR

Leader of the pack.

The athlete of the year, as selected by all the coaches at East Side is Mario Branco. He is captain of both the Cross Country and Track Teams. Throughout his four years at East Side, his skill has developed steadily.

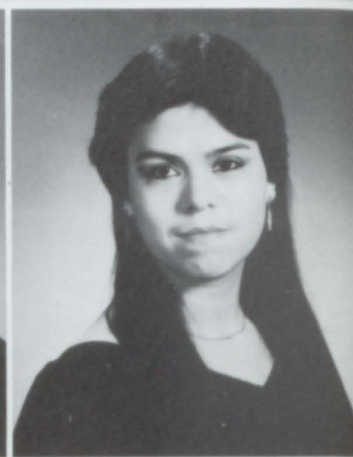

He has held the title of most valuable runner for the past two years in both Cross-Country and Track. Mario has won many championship titles. Among the most important are: Essex County Champion '83, Newark High School Varsity Champion 3000 meter run '83, Newark High School Junior Varsity Champion in 1500 meter run '82, and Sectional North II - Group IV 2nd place (state championship).

Mario has also been Vice-President of the Track Club for three years and he was voted East Sider of the month in May 1983, not only for his skill as a runner but also for his achievements as an honor student.

Mario possesses fine qualities such as determination and drive. We wish him prolonged success as he reaches for the top.

THE TRADITION CONTINUES

The "Torch" ceremony is a tradition that began in 1934. The Torch symbolizes knowledge. It is the light from which the sparks of knowledge are constantly falling.

The Seniors have kept it for their term and will pass it on to the Junior class at graduation ceremonies. The Seniors will always cherish the symbolism of the Torch. With these thoughts, we the graduating class of '84, say good-bye to East Side, but we are certain that the tradition will be continued.

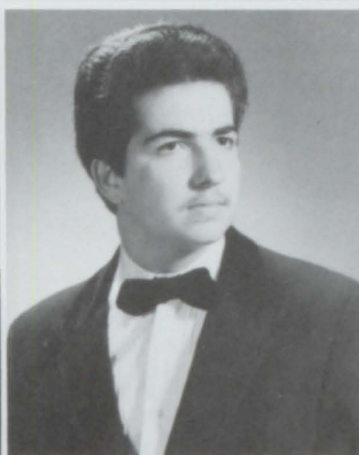

John Matos receives the Torch on behalf of the class of '84.

PROUD ARTISTS

The Newark Teen Arts Festival is held at the Newark Museum in March, as part of The Youth Art Month Celebration. Many talented art students, singers, dancers and musicians from East Side are always represented in this special event.

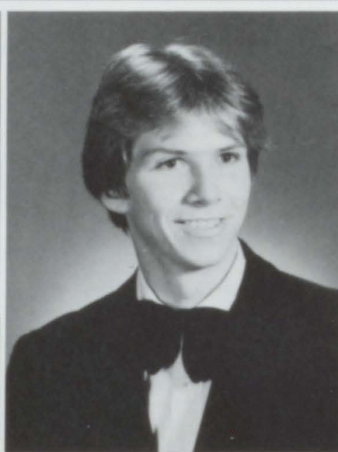

Last year, Irene Manso and Madeline Galarza were among the students given certificates. Irene received her certificate for a stained glass window design and Madeline for a photogram. Both Irene and Madeline are going on to college and plan on taking more art courses because their high school art classes were great.

BUSINESS AND COMPUTERS.

Graduating with the #7 ranking and a GPA of 4.0 is Daene Aureliano. During Daene's high school career she has taken on such activities as Cheerleading, Student Council, Computer Club and History Club as well as being a member of the National Honor Society and the Guidance Advisory Board. Daene has also placed second in the First Annual Newark Business Skills Olympics in the area of Steno II.

One of her outstanding achievements was being involved in the designing of a computer program for the school which enabled the Guidance Department to schedule students for courses in accordance with their respective CTBS and MBS scores.

Of her future plans, Daene states, she would like to go to college and major in Computer Science and also take a minor in Business Administration. Certainly an attainable goal for such a fine student as Daene Aureliano.

SOCCER GREAT.

One of this season's outstanding soccer players is the captain of the team, Jack Da Silva. Jack plays center halfback; a position of extreme importance.

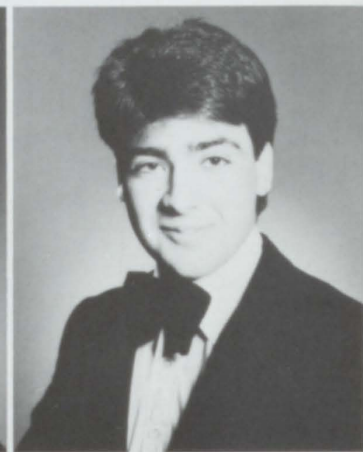

Throughout the game, he must maintain his speed and agility as well as his aggressiveness. Jack utilized all of these components as he led the soccer team through yet, another city championship.

Jack was also voted most valuable player on the team this year. As Mr. Neves stated, "He is not only a skillful player but he is also a very dedicated one. Dedicated not only to the sport but also to his team."

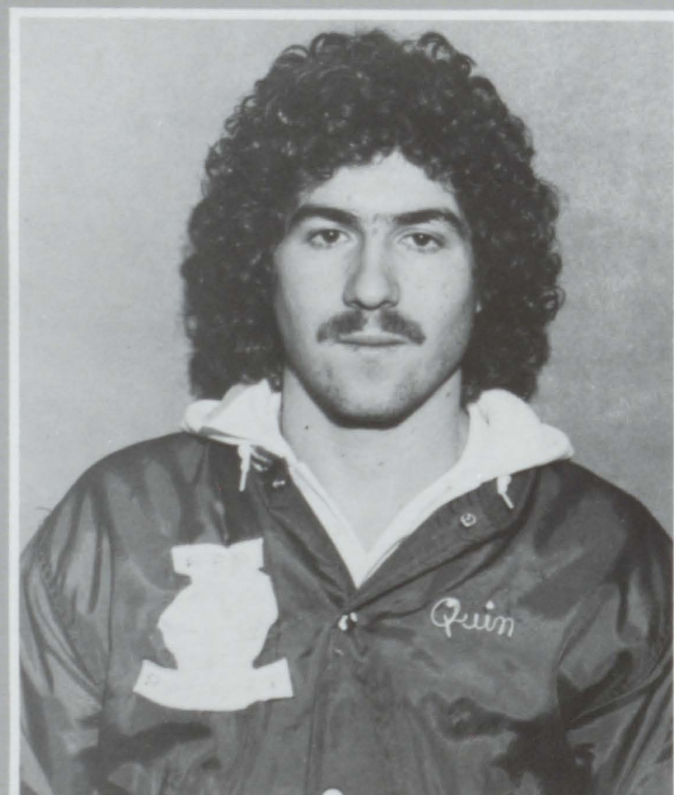

Jack's future plans include going to college and playing soccer as much as possible. We wish him lots of luck and continued success on and off the field.

TIED FOR 5TH PLACE

Tied for 5th place is Maria De Oliveira with a GPA of 4.07. During her high school years Maria has kept very busy with school work and community activities.

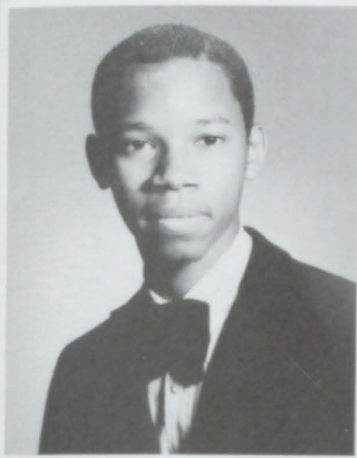

She has been a member of the Computer Club, Drama Club, Vice-President of the History Club and a member of the National Honor Society. She has also received an award for art in 1981.

Her community activities include being a Religion teacher for the past five years. Maria also holds down a part time job as a dental assistant.

This scholars' future plans include attending college and majoring in dentistry, an education that she hopes will someday lead to her own practice.

Rosa Caraballo has been catcher on the softball team for the past three years. In 1982 she received the Most Valuable Player Award and this past season she set a record with a batting average of .538. She also had the most runs on the teams and an amazing 20 stolen bases.

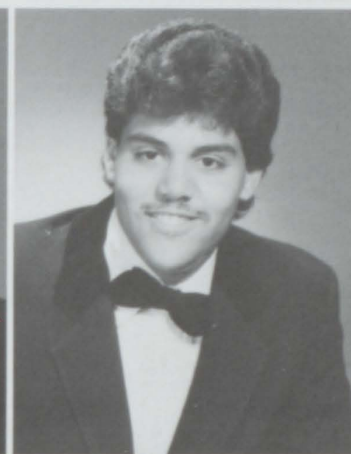

In addition to being on the softball team, she has also participated in the girls' basketball team for two years.

In the future Rosa would like to become a physical education teacher. She feels that it is important to teach students the value of being healthy and physically fit.

THERE'S NO PLACE LIKE HOMEROOM

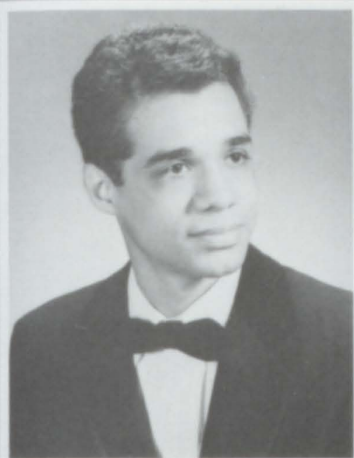

Although as seniors, we were not awarded the privilege of homerooms in the new building, we were given new lockers, at the opposite end of the school. Despite this setback, homeroom started at 8:30 every morning, but this did not mean that everyone was in their homerooms by 8:30, they were still on the long voyage from their lockers to homeroom.

Homeroom is a time to get yourself organized for the day. This is where we see our guidance counselors from time to time as well as our Senior Advisor, who gives us information about what's happening. If you're lucky you can also hear the announcements. Our favorite day is Wednesday where we have "Respite for Reading", an extended homeroom where we are to read for 15 minutes.

Homeroom is the one class we share with the same classmates for four years and throughout these years true and lasting friendships are made.

COMPUTER PRODIGY

Paul Flor, our number three graduate, with a GPA of 4.25, is East Side's most talented computer programmer.

He has been involved in many computer related activities; the Computer Club, of which he was president, the Computer Team, and he has also been a computer aide.

Paul has taken advance computer math and various other courses at the college level as well as teaching advanced computer programming to students. This "Top 10" member has been interviewed by the New York Times and "60 Minutes" concerning the computer classes at East Side.

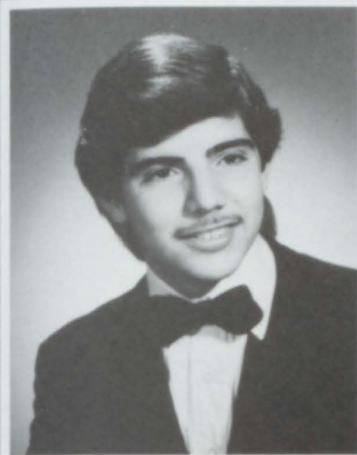

Other activities undertaken by Paul include, Homeroom Representative, The History Club, National Honor Society as well as being a member of the Football and Soccer teams.

Paul has received a National Leadership Merit Award and is mentioned in "Who's Who Among American High School Student's." Most recently he added to his list of honors, "East Sider of the Month."

Future plans are based in the computer field of course, specifically in the area of Artificial Intelligence.

AN EXPERT ON THE FIELD

Randy Ortiz is an exceptional athlete. He is not only involved in one sport, but two.

He is one of the three captains of the football team and assisted in bringing about the unexpected victory against West Side. He was also chosen all city Defensive Tackle.

The other sport that Randy is involved in is the Outdoor Track Team. He is captain of the team and was chosen J.V. city champ. Along with that he managed to acquire 3rd place in the Discus throw and become shotput city champ.

Randy plans to attend college and continue to participate in the above mentioned sports.

Maribel Gonzalez, winner of the Human Rights Award.

Every year the Human Rights Award is given to a student who has done an outstanding job in the school and in the community. This year the award was given to Maribel Gonzalez.

Maribel was a tutor at the Ironbound Educational Community Center. She belongs to various church organizations such as the Daughters of Mary of which she is treasurer and The Third Order of St. Francis of which she is secretary.

Maribel also belongs to several clubs in school such as the Civic Club, and the National Honor Society of which she is vice-president. She plans to do volunteer work at Saint James Hospital.

She is listed in Who's Who Among American High School Students and received the United States National League Merit Award.

Maribel plans to attend college and receive a Bachelor's Degree in Science. She has already been accepted to Seton Hall's College of Nursing. Congratulations!

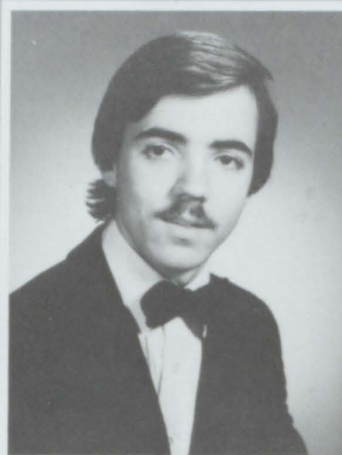

SENIORITIS- CATCH IT!

Towards the end of senior year many seniors catch a dreadful disease - senioritis. This disease common to many members of the senior class has distinct symptoms. It starts by gradually being late for class or hanging by the lockers with friends, not doing homework, or not studying at all until the last minute for a big exam. Then you stop bringing notebooks, and pens to clas thinking that you have a photographic memory. As graudtion day come closer the condition worsens. Seniors spend their time day dreaming about walking down the aisle to receive their diplomas, prom dates and college acceptances.

The only cure for this disease is graduation - one that always works.

A case of Senioritis?????

SIGNS OF THE TIMES

As shown in these prints, East Siders' interests vary greatly. Everything from weight lifting to Jim Morrison captures the imagination of the student body.

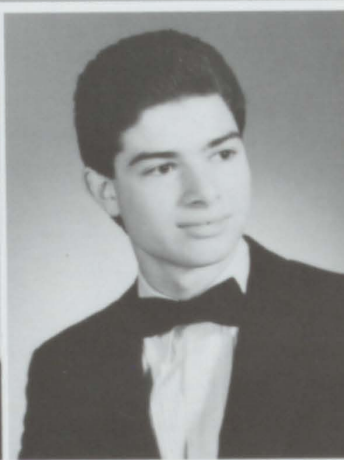

The Yankees, Smurfs, AC/DC, Rolling Stones, and the Playboy insignia are logos that are seen everywhere from record shops to national T.V. They are the interests of the 80's, the signs of the times.

However, she plans to become a member of the army reserves after graduation. Donna became interested in the reserves through family members. Her plans are to sign up in June and begin basic training, which will surely keep her busy for many weeks-ends. We wish her well.

MANY MEMORIES LOCKED INSIDE

Lock-er - (lak-er) n. 1) a chest, closet, compartment, drawer, etc., usually of metal which can be fastened with a lock, esp. such a container for individual or specified use - 2) a meeting place before or after lunch - 3) an excuse for not being prepared for class (ie: where's your book? It's in my locker.)

These all define the meaning of a locker but to us they mean much much more. They are our own personal space often decorated with pictures of girlfriends/boyfriends, calendars, posters of famous celebrities and whatever the East Side mind thinks of. You can be as neat or as sloppy as you want without anyone telling you "Go clean your locker!" They are also the breeding grounds of unknown creatures that move when you open the door.

In our freshman and sophomore years, we had "C" building lockers equipped with their own mold growing inside. We also had to share lockers, making it extremely difficult to fit winter coats or other items in without getting them stuck in the door. In our Junior and Senior years, we were blessed with new lockers.

The saddest part of leaving in June will be the cleaning out of our lockers. Our lockers contain many memories.

Is this the right one?

GOING PLACES

As we reach the end of our Senior year, we are filled with mixed emotions. We will soon be alumni of East Side High; no longer the "Seniors." No longer will we have to arrive on time for homeroom, or make it in four minutes "passing" time to our next class. No longer will we have the closeness of friends we have made during these years - we will be going places.

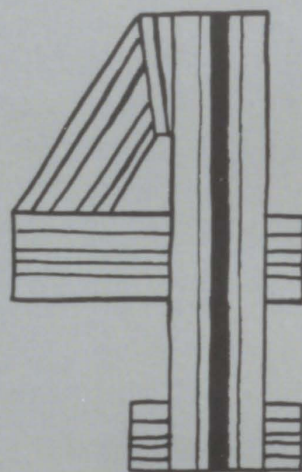

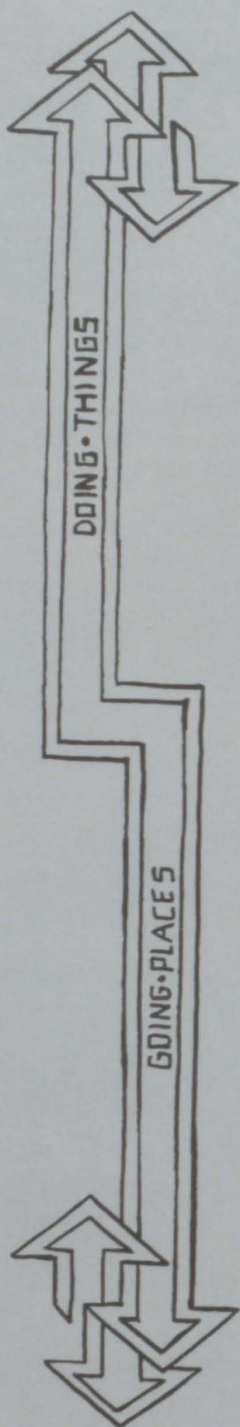

As freshmen, new to East Side we were given a new sense of freedom. It was a drastic change from elementary school, but we soon adjusted to this new environment. We idolized the seniors; they were "cool", and by the miracle of time, we became them.

The reality of being a Senior approached us in our Junior year. It started with the ordering of class rings which was the first step toward our becoming Seniors. As the year went on we had our Junior Prom, Fashion Show, and finally our yearbook pictures taken. These would be the pictures that we would always remember each other by for years to come. Memories are what we have forever. Many good and hopefully only a few unpleasant. We now have graduation day - the day that it's finally "over" - that will long dwell in our minds. The "best years of our lives" are almost over.

It's time to start going places - to go out into the world and show them what we are made of; we are made of a lot-we are East Siders.

Four years in the making.

The Ironbound, is one of the most interesting areas of our city and it is Our Community.

In its own way it has something special for every one who either lives here or comes to visit.

For example, there are many different types of restaurants that attract people from all areas of the state.

The Ironbound could also be considered the heart of the city because it is a busy, thriving cultural community. It seems as if our community never sleeps, because people are always on the move.

The people that make up this special area have all in some way influenced and encouraged us to go places and do things.

One of our community boundaries.

'84 Happenings

Two important events that give the community an opportunity to get involved are Open House and International Night.

Ethnic foods are prepared by the parents and dances performed by the Portuguese and French Clubs. These activities give a flavor to the many cultures that make up our community.

Open House is a time for our parents to meet with our teachers as well as see our school. It also serves to help parents discuss the progress of their son or daughter.

These very special events help bring the school and community closer together.

Mr. Bottino, has it made.

COMMUNITY AND STUDENTS SKI VERMONT

The East Side Ski Club had another exceptionally good year. The club members have taken several day trips to great Gorge and Vernon Valley along with a beautiful weekend trip to a village called The Bridges, located at the foot of Sugarbush Mountain.

This was the second time they had a three day ski weekend. They left very early on the morning of Friday, March 2nd, for a seven-hour, 350 mile trip.

On arrival, they found gamerooms, tennis and squash courts along with swimming and sauna facilities very much to their liking; along with twelve inches of new snow. These conditions of course made for a great time when they hit the ski slopes.

Along with Mr. Afflitto, club advisor, the trip was chaperoned by the following teachers: Ms. Marinello, Mrs. Salagaj, Mr. Travisano and Mr. Wichowski.

City-Councilmen, Carrino and Mr. John Zidziunas, were also part of this super ski weekend.

Hsi Ling, getting set for start of the downhill run.

Mr. Afflitto, club advisor, Jack Lopes, Mrs. Salagaj, Randy Ortiz, Senen Pitaluga, Conrad Barreiro, Dave Letts, Mr. Travisano and Hsi Ling take time out from the slopes, to pose for the roving photographer.

THANK YOU

The 1984 yearbook required a great amount of time and energy from the yearbook staff. An approximate total of 195 hours were spent by staff members to meet those many deadlines.

Special thanks must be given to homeroom teachers, Banias, Hudson, Sangale, Vick and Watson for their understanding of why, we were always late for homeroom. To all the club advisors who waited patiently for clubs to be photographed. To members of the Guidance staff, especially Mr. Lardieri, for that needed list of eligible graduates, along with Mrs. Rosen, Mrs. Cavanaugh, Mr. Sambur and Mr. Velis for needed information. To all the Coaches, especially Blasi, Dickerson, Neves and Werner for their extra special help and for always knowing the answers. To Mrs. Di-Piazza for taking the time to help us get those special pictures taken of the many squads. To Mr. Afflitto, who had our typewriter repaired. To Mrs. Cifelli, for those special lists. To our student photographers, Dave Letts, Anthony Moraes, John Spressler and Pedro Sousa for their abilities with the camera. To Maria Carbacho for her help with the Winterguard page and Maria Francisco for help with the ads sections. To all those students, teachers and administrators who helped us complete this book.

The entire staff wishes to thank, Dr. Helenmarie Pellegrino for her dedication, patience, advice and confidence in her staff as they worked to produce the 1984 yearbook.

Special thanks to Ms. Shirley of Lorstan Studios for always finding us a photographer.
